

Ewshot Gardens, Church Crookham, Hampshire

Project Facts

Sector: Housing

Our Role: Main Contractor

Location: Church Crookham,
Hants

Client: Redfields Developments

Project Value: £9m

Duration: 20 months

Overview:

Natta are undertaking the construction of 49 houses/flats for Redfields Development Ltd, as a turnkey design and build contract. We commenced on site April 2015 and expect to complete by December 2017. The first units for occupation were handed over in January 2016.

Scope of Works

The site comprises a mix of 41 houses ranging from 2 bed to 5 bed, together with 8 apartments. 20 of the units are for Sentinel Housing Association, the balance for private sale.

The houses are of timber frame construction with a mixture of external finishes, comprising brick, tile, render and flint facades, slate roof. The houses have benefited from a wide range of Architectural features, which have enhanced the street scene. The properties have high quality interiors with Hacker kitchens and AEG white goods. Bathrooms feature suites from Duravit Sanitary ware and Belle Baths. Ground floors are Karndean finished with carpet to upper floors.
