

OAKGROVE PHASE 5 - MILTON KEYNES

Project Facts

Sector: Infrastructure/
Groundworks

Our Role: Sub-Contractor

Location: Milton Keynes

Client: Crest Nicholson
Regeneration

Project Value: £5

Duration: 2 years

Overview:

This project was for the groundworks to a 73 unit housing site.

Scope of Works:

Our works include roads, sewers, piled foundations up to and including floors, drives, sheet lighting and landscaping's.

The particular challenge was removing a 45,000m³ heap of soil that had build up from the previous 4 phases of the development and installing a 215m long gabion retaining wall whilst maintaining progress on the initial site build.

The site has progressed well and is due to be completed in 2019.
