

Forest Lodge Garden Centre

SECTOR:

Retail

OUR ROLE:

Main Contractor

LOCATION:

Farnham, Surrey

CLIENT:

Deny's E Head

PROJECT VALUE:

£500,000

OVERVIEW:

Our contract was to provide a new open air plant display area for the Garden Centre to service principally trade customers as well as the public.

SCOPE OF WORKS:

The works comprised extending the existing car park, creating a new trade car park, goods yard, as well as a concrete grid with stone infill amounting to some 6000m².

The existing Garden Centre remained open during the build period.

We completed the work on time, meeting sectional completions for Christmas opening and we are looking forward to being involved in the next phase of the development of the site.
