OVERVIEW:

Set within the beautiful secluded and mature surroundings of Tekels Park, the homes sit perfectly in one of Camberley's most desirable locations.

SCOPE OF WORKS:

Approached via individual gated entrances the properties, built by Natta Homes are set over three floors offering between 3,337 and 3,444 ft² of the highest-specification in living accommodation.

These magnificent homes feature Oak staircases and doors, five spacious bedrooms and ample wardrobe storage, plus 2nd floor bonus room, five luxury bathrooms/en suites fitted with Villeroy and Boch Sanitaryware. A bespoke Wooden Heart kitchen with five ring gas hob, dishwasher and double oven with caple wine cooler. They each have spacious utility rooms. The properties also boast large reception rooms, including drawing room with a wood burning stove, dining room and kitchen breakfast room/family room with bifolding doors opening out to the patios and private rear gardens. As well as a study and cloakroom. Other benefits include underfloor heating to ground and first floors.

Each house is set within a plot of between 0.25 & 0.31 of an acre. The extensive landscaped gardens feature a car barn style garage, additional parking, generous block paved driveways and security gates.
