

Wield Wood Estate

SECTOR:

Building, Houses

OUR ROLE:

Main Contractor

LOCATION:

New Alresford

CLIENT:

Private Client

PROJECT VALUE:

£1.3m

DURATION:

12 months

OVERVIEW:

We were contracted to carry out the foundations, earthworks, drainage and structured frames for a large 16,000ft² mansion.

SCOPE OF WORKS:

Our works included groundworks, foundations, drainage, basements, hollow core planks, steel frame, blockwork and associated buildings.

Other works had included an access bridge and external retaining wall as well as bulk earthworks.

See next page for more

“We were pleased to undertake this contract for our Private Client and deliver the groundworks and foundations for their new build property.”

Matt Sainty

COMMERCIAL DIRECTOR, NATTA
