

Stompond Lane

SECTOR:

Groundworks,
Infrastructure & 278
Works

OUR ROLE:

Sub Contractor

LOCATION:

Walton-on-Thames

CLIENT:

London Square

PROJECT VALUE:

£5m

DURATION:

18 months

OVERVIEW:

Natta were awarded this infrastructure and groundworks package for 104 plots comprising 1 and 2 bedroom apartments and 3, 4 and 5 bedroom houses. This project was fast track and a full build out.

SCOPE OF WORKS:

Our scope of the works was to undertake the roads, drainage, external works and foundations, including the floors.

The site utilised a specialist, shallow permeable road which required particular care.

This project played to our strengths in dealing with fast track focussed groundworks in testing conditions.
