

# Arborfield

**SECTOR:**

Infrastructure

**OUR ROLE:**

Sub Contractor

**LOCATION:**

Arborfield

**CLIENT:**

Crest Nicholson

**PROJECT VALUE:**

£21m

**DURATION:**

20 months

**OVERVIEW:**

This project was for the groundworks and infrastructure to 110 houses at the former MOD Base at Arborfield.

**SCOPE OF WORKS:**

We undertook the full build to DPC including CFA piled foundations, substructure blockwork and block and beam floors and issuing collateral warranties to the developer.

The aggressive build programme entailed a workforce of some 50 operatives to undertake work on a number of different fronts at the same time.

As our extended remit we acted as principal contractor until the developer was able to take over.
