

# Wield Wood Estate

**SECTOR:**

Building, Houses

**OUR ROLE:**

Main Contractor

**LOCATION:**

New Alresford

**CLIENT:**

Private Client

**PROJECT VALUE:**

£1.3m

**DURATION:**

12 months

**OVERVIEW:**

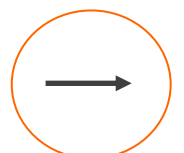

We were contracted to carry out the foundations, earthworks, drainage and structured frames for a large 16,000ft<sup>2</sup> mansion.

**SCOPE OF WORKS:**

Our works included groundworks, foundations, drainage, basements, hollow core planks, steel frame, blockwork and associated buildings.

Other works had included an access bridge and external retaining wall as well as bulk earthworks.

See next page for more

“We were pleased to undertake this contract for our Private Client and deliver the groundworks and foundations for their new build property.”
